EXPERIENCE

Light Armored Vehicle Crewman, United States Marine Corps, January 2020-December 2023
Aurora, CO

- Conducted pre-and post-mission vehicle inspections to ensure operational readiness.
- Maintained daily logs of all maintenance activities performed on assigned vehicles.
- Operated Light Armored Vehicle in a variety of terrain, including urban and desert environments.
- Performed preventative maintenance on LAV systems, such as lubrication, fluid level checks, and tire pressure adjustments.
- Supervised the loading, unloading of ammunition and supplies onto, off of vehicles.
- Communicated with other crewmembers using radio systems while operating in hostile environments.
- Managed inventory levels for spare parts and equipment associated with LAVs.
- Monitored vehicle performance data to identify any potential issues or malfunctions.
- Inspected security measures prior to entering combat zones.
- Responded quickly to emergency situations involving LAVs by providing first aid or calling for assistance.
- Tested new weapons systems mounted on LAVs before deployment into combat zones.
- Trained and mentored new platoon members, providing assistance when needed and advising on how to perform daily duties.
- Relayed information using advanced onboard communications devices.
- Planned, memorized and navigated numerous routes during vehicular and foot patrols and coordinated movement between 4 vehicles via radio.
- Responded to emergency situations as required including medical evacuation requests.
- Communicated effectively with team members using hand signals, radio communications equipment, and other methods as necessary.

Warehouse Associate, Industrial Fasteners and Fittings, March 2018-May 2019
Denver, CO

- Received, sorted and delivered packages to customers in a timely manner.
- Maintained records of deliveries, pickups and other related activities.
- Ensured that all orders were accurately filled and loaded onto the truck according to customer specifications.
- Assisted with loading and unloading of items from trucks as needed.
- Communicated effectively with customers regarding order status or any other questions they may have had.
- Provided excellent customer service by answering customer inquiries in a professional manner.
- Verified accuracy of paperwork associated with deliveries prior to leaving the warehouse.
- Packed goods for shipment in accordance with customer instructions.
- Labeled containers correctly for product identification purposes.
- Communicated effectively with team members on matters related to work assignments.
- Compiled, sorted and filed records of product orders, business transactions and other activities.
